

## When you're healthy, you're at your best

When you are feeling and doing great, you bring the best 'you' to work and can do great things at Coastguard New Zealand Incorporated too. That's why Coastguard New Zealand Incorporated is committed to help you and your family get affordable Southern Cross health insurance.

### Get affordable health insurance

**Southern Cross is New Zealand's largest** provider of health insurance and offers a range of plans and options. Also, **as a member you'll enjoy valuable offers on everyday health products and services like dental and vision.**

Add to it your Coastguard New Zealand Incorporated group scheme discount, and you might find health insurance more affordable than you think. So, get the cover you and your family deserve.

### Choosing the right plan for you

Southern Cross has a range of plans to suit most lifestyles and budgets from day-to-day to major medical cover.

Choosing a plan that's right for you and your budget is important.

***If you have any questions about plans offered in the Coastguard New Zealand Incorporated work scheme, or for help completing your application, please contact your Adviser.***
